Profile 4: Medium-sized Educational Non-profit

Sector: Education
Size: Medium NPO
Functions: Identify, Govern

Security Profile

- **Identify (High Maturity):** The organization maintains a comprehensive inventory of all assets and regularly updates its risk assessment. They have a detailed understanding of the regulatory requirements and ensure compliance through regular audits.
- **Govern (Medium Maturity):** Governance policies are in place but are not regularly reviewed or updated. There is some oversight, but accountability and enforcement of cybersecurity policies are inconsistent.
