Indesign Checklist 3: Showcasing Drawings and Images

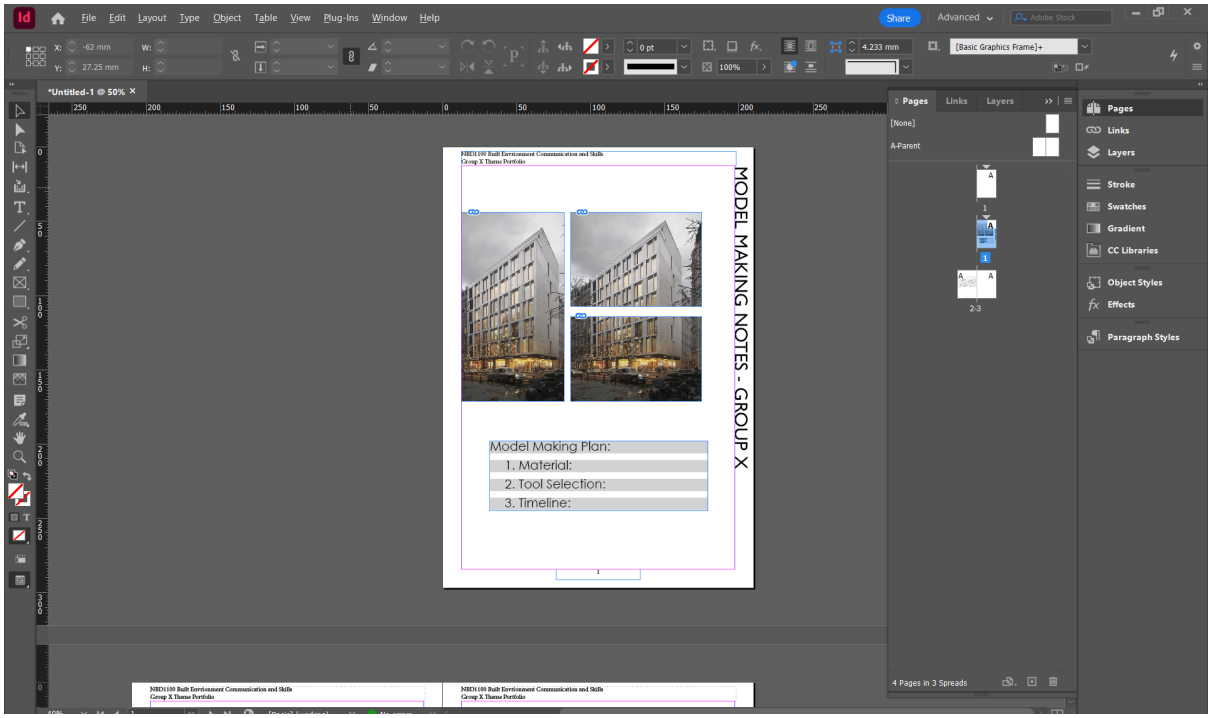

1. Task 1 Image Placement: Practice inserting images V.S. Practice linking a Photoshop file

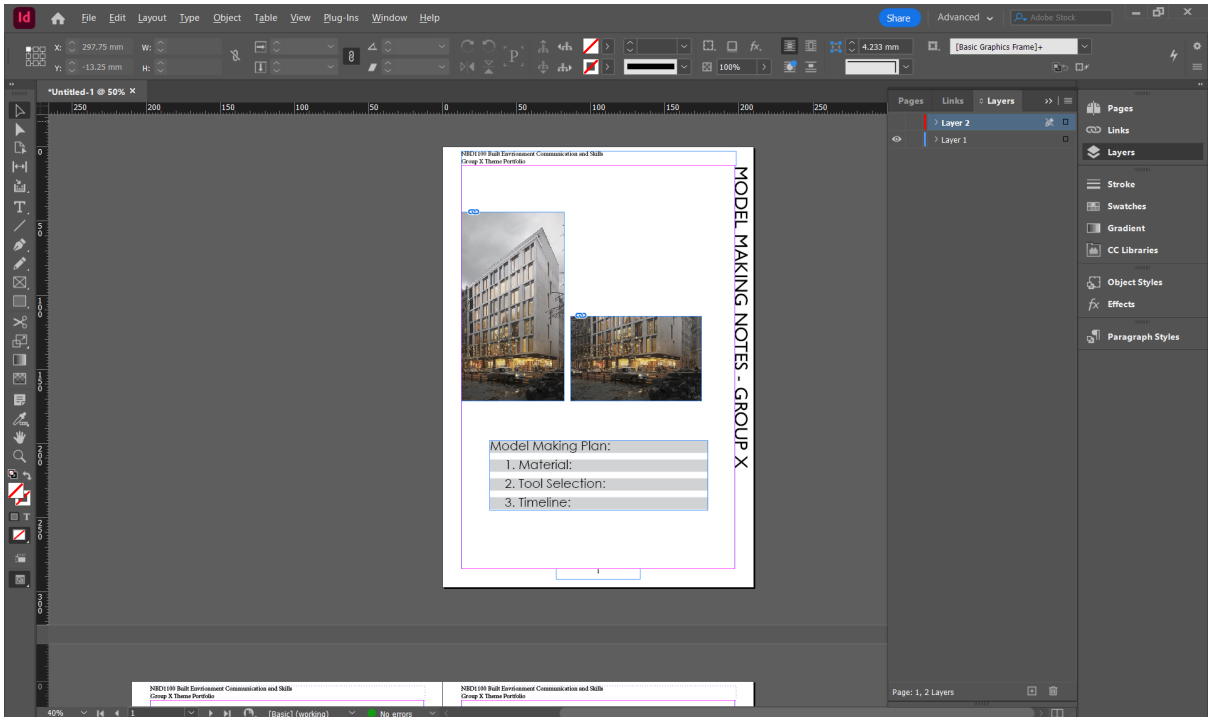

Shiran Geng

2. Task 2 Image Frame and Layer: Use the different frame tools to change the image size/scale and organise layers

Shiran Geng

3. Task 3 Package and Export: Practice packaging an InDesign file and exporting the document as a PDF; By packaging the file, all linked files will be in the folder – so you won't lose anything while transferring to a group mate
